Angeline the baker

She can't do hard work

Because she is not stout

The way I always loved her

She bakes her biscuits everyday

Beats all you ever seen

And pours the coffee out

Chorus:

(Chorus)

D

Angeline the baker

G

Her age is forty-three

I'll never marry no other girl

D

I bought her candy by the peck

No matter where I go

But she won't marry me

I said I'd marry Angeline

Just twenty years ago

Angeline is handsome

(Chorus)

Angeline is tall

They say she sprained her ankle

The last time I saw her

A-dancing at the ball

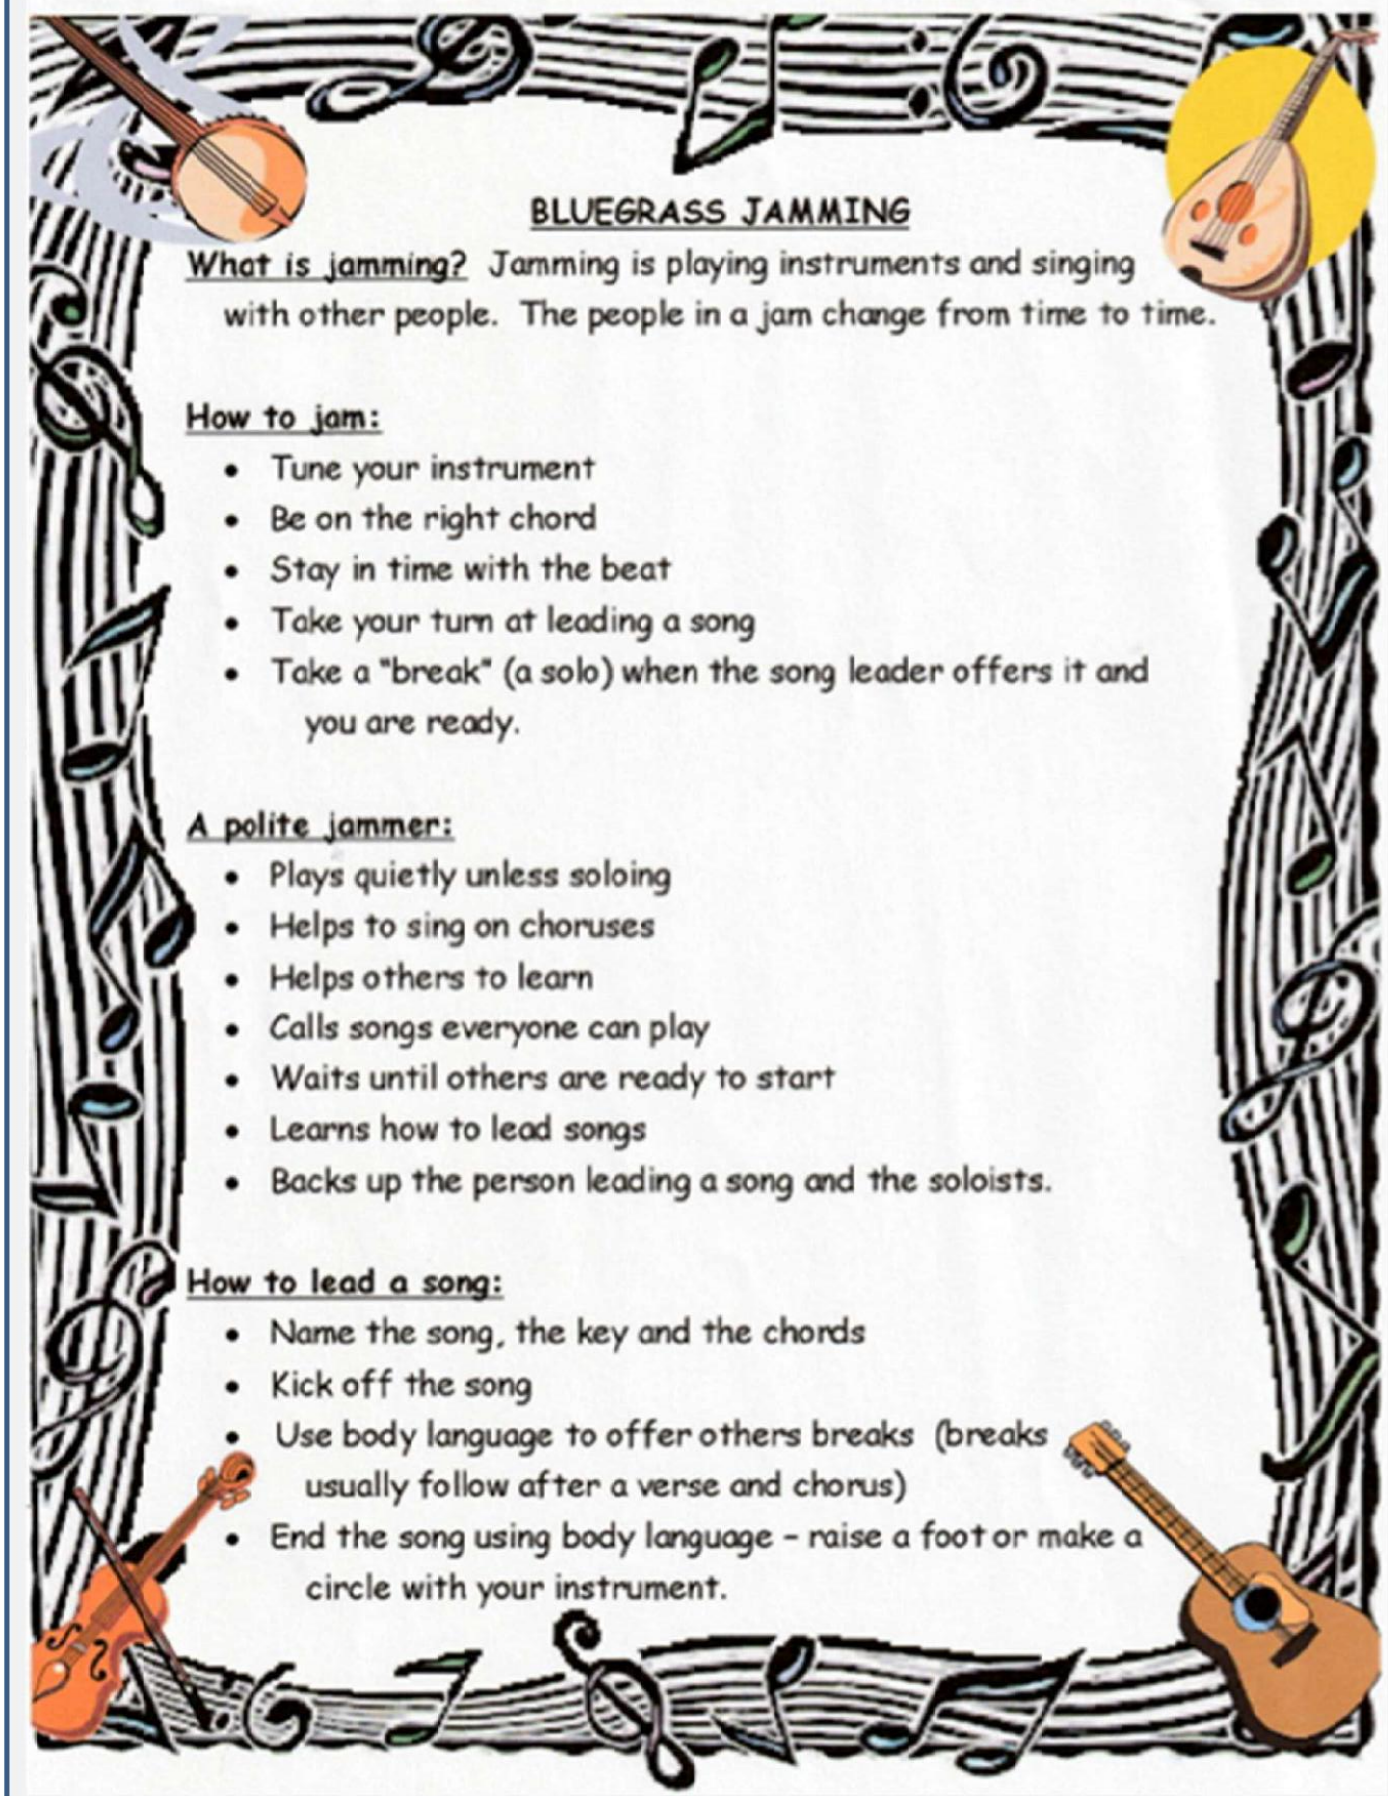

Was at the county fair

(Chorus)

Her father run me almost home

And told me to stay there

BLUEGRASS JAMMING

What is jamming? Jamming is playing instruments and singing with other people. The people in a jam change from time to time.

How to jam:

- Tune your instrument
- Be on the right chord
- Stay in time with the beat
- Take your turn at leading a song
- Take a "break" (a solo) when the song leader offers it and you are ready.

A polite jammer:

- Plays quietly unless soloing
- Helps to sing on choruses
- Helps others to learn
- Calls songs everyone can play
- Waits until others are ready to start
- Learns how to lead songs
- Backs up the person leading a song and the soloists.

How to lead a song:

- Name the song, the key and the chords
- Kick off the song
- Use body language to offer others breaks (breaks usually follow after a verse and chorus)
- End the song using body language - raise a foot or make a circle with your instrument.
